Fix Error 700003

To Fix the below error please use the following guide.

Open settings by searching for this using the start menu or by pressing Win + I at the same time.

Click on accounts and then "Access Work or school".

Expend your work/school account and click Disconnect.

← Settings	Accounts > Access work or school	×
	Get access to resources like email, apps, and the network. Your work or school might control some things on ti	nis device when connected.
Find a setting Q	Add a work or school account	Connect
System Bluetooth & devices	Work or school account	^
Network & internet	Managed by bhbs.hereford.sch.uk	Info
 Personalization Apps 	Disconnect this account	Disconnect
Accounts	Related links Manage your account	

Click Yes to the warning.

You can then connect the work or school again using the "connect" Button.

← Settings		- 🗆 ×
