Dear Parents and Carers,

It is with great pleasure that I write to you today to introduce myself as the newly appointed Headteacher of The Bishop of Hereford's Bluecoat School. I am deeply honoured to have been entrusted with the leadership of this distinguished institution and look forward to embarking on this journey alongside you and your children from September.

I would like to thank Mr Henton for his professional generosity and support during the transition of leadership over the past few months and wish him a long, relaxing retirement.

The Bishop of Hereford's Bluecoat School has a long and proud history, built upon a foundation of strong values and academic excellence. I am firmly committed to upholding these traditions and ensuring they continue to guide our students towards well-rounded success. This is a message that I shared with our new Year 7 intake students, and their parents and carers, during their visit to the school in July.

When students return to school in September, I will be speaking to them all, sharing our aspirations and expectations. It is important that children benefit from excellent and enjoyable learning so that they look forward to their lessons and to school. That they are well prepared and have the skillset necessary to pursue their passions within and outside of school, and long into the future after they leave school. Our expectations can be found in the policy section of our website via the link below:

As a school community it is important that we, the school, you as parents/carers and your children, as students, all work in partnership. It is imperative that the messages, values and standards insisted upon by the school are supported by you at home. I thank you in advance for this support and would like to take this opportunity to remind you that our uniform expectations are shared on the school website.

As a school we will focus upon the development of the whole student, we will strive to ensure that students excel academically and will work closely with you to provide an environment and ethos that means each student leaves Bishop's as kind, compassionate, successful and responsible community members. We all want children to mature and live happy, positive, fulfilling lives. Building a sustainable community that supports each other will be central to our planning. This focus will guide my decision making as your children's Headteacher.

Always Faithful with Christ

I am looking forward to welcoming all students to school on Wednesday 4th September 2024. Students can come into the school building from 8.30am and should be ready to enter their form rooms for the registration bell at 8.50am.

I hope you have a restful summer holiday and I look forward to meeting and speaking to you all over the coming months and year.

Yours sincerely,
