Headteacher: Mr Tom Williams

4th June 2025

Dear Parents/Carers

Enrichment Week - June 23rd -27th 2025 – Years 7, 8 & 9

Enrichment Week is a week full of extra-curricular sessions instead of the regular school timetable, for students not on residential trips. This week is an opportunity for students to gain a varied program of enriching activities; the aims of these activities are for students to learn new skills, make lasting memories, and to broaden their horizons.

All students will be given a timetable the week before so that they are aware of what is happening, and for you to prepare them if needed. Information will also be provided to student services to assist students during the week if needed.

Each day students will be completing a range of activities across the school site, and therefore school uniform is not required. Students should wear leisure/ sportswear (e.g: T-shirt and shorts/joggers) with trainers as an essential. Every day is different and may require students to go from inside to outside for the various activities available. All clothing should be appropriate for a school setting as per non uniform day expectations.

Students will also need to have a refillable water bottle which should be filled up before school and during the day as required. They will also need suncream and a hat, particularly on hot days. Our usual lunch arrangements will remain in place for the week.

During this week our timetabling changes are:

Am Registration - Period 1 – 8:50am -10:15am

Break – 10:15am – 10:40am (Deli and Canteen open as usual)

Period 2 – 10:40am – 12:05pm

Period 3 – 12:05pm – 1:30pm

Lunch – 1.30pm – 2.00pm

PM registration – Period 4 – 2.00pm-3:20pm

If students are going on day trips to West Midlands Safari Park, Drayton Manor, Wicked, Flip Out or Swimming (various trips have been opened to different year groups), they should have already received information regarding these trips.

Always Faithful with Christ

Students attending these trips will be expected to be in school for the other four days.

We hope this will be an enriching and fulfilling week for all the students involved.

Your sincerely,

Isabella Wicks
Enrichment Week Coordinator
