

Cheshire House

Prayer and thought for the week-

DEAR GOD,

I humbly come before you today in appreciation for all that you have done for me. Thank you Jesus for your sacrifice so that I may be reconciled to God and set free from the bondage of sin. Thank you for enduring so much suffering on my behalf. I pray that I will have the same kind of strength to endure life for your sake, in your name I pray **AMEN!**

Had we been in school, the theme for assemblies and form worship this week would have been sacrifice.

This is quite fitting as we think about the last Clap for the NHS which we had on Thursday 28th May. The sacrifices being made at this time are incredible. The key worker community has been amazing throughout the whole pandemic. The sacrifices they have made for the health of us all has really deserved our applause.

On Sunday I was listening to Country File and Captain / Sir Tom was on the programme, comparing the sacrifice of soldiers in the 2nd World War, like himself, and the sacrifice of services like the NHS today. Maybe we also have had to make sacrifices on a much smaller scale over the last 11 weeks. Missing holidays, birthday meals out, not seeing family and friends. This is the kind of sacrifice we have all been asked to make for the good of us all.

So sacrifice can come in all shapes and sizes but it is important that we do occasionally make sacrifices as they help to make the world a much better place.

The 2:6 challenge continues to run as an inter-house competition. So, if you haven't already then it could be time to think about what you could be doing to support the 2.6 challenge for many charities the lockdown has significantly reduced their incomes and our school charity St. Michael's hospice is no different. So, if the school work is done and you need a new challenge then get busy.

It could be a cooking or baking challenge, something sporty, something creative, or something funny. Anything goes!

Remember

Each house will have a Just Giving page set up.

You can search for your individual house page by following this link and clicking on the search icon at the top of the page <https://www.justgiving.com/>

Search for your house i.e. - BHBS Cheshire House or follow the links on the school website or Facebook page. You can set up your own challenge (make sure it is safe and appropriate), follow this link for more information and some inspiration!

Your tutors will be ringing, if they haven't already, to find out how you are doing. Please let them know what you have found positive about the lockdown and working remotely, but also what you have found more challenging.

Finally - Just for fun.

The following fact relates to a member of staff in Cheshire House. So, the question is who worked in Guernsey at Elizabeth College for 6 years?

Lateral Thinking Puzzle

2 + 2 = Fish

3 + 3 = Eight

7 + 7 = Triangle

Explain?
