

LIVINGSTONE LOG

Thinking outside the box!

Hello from Livingstone House

So, back to school work this week! Hope you are all managing with working remotely. Its been quite a technological learning curve hasn't it? I have had to learn to use Teams for meetings, and Zoom for family and friend catch ups. Thanks goodness we have it though, as not being able to see my family without it would have been really hard.

I have received a note from Credenhill Court Rest Home, who I have written to on occasions over lock down after seeing a request for news and letters on Facebook. Some people have had no contact with family at all and zoom may not be an option, so if any of you are at a loose end, writing to your local nursing home might really make someone's day.

Any updates to tell me about can be sent to robertsone@bhbs.hereford.sch.uk putting "Livingstone Log" in the subject bar along with your name and form. Thanks to those who have contributed.

Birthdays this week

Waybourne-Epps, Lily	09/06	LRV
Davies, Ruby	10/06	LLV
Laws, Archie	12/06	LLR
Williams, Kirsty	13/06	LLR

Hope all of you have a very happy birthday.

More about birthdays on the next page, as 31st May is the birthday of the church.

House News

Your tutors will be calling, or may already have phoned to speak to you. Please tell them what you have found manageable about working and living in lockdown, but also what has been a challenge.

Our School House challenge is still going, so please remember to go to the JustGiving page for Livingstone House.

www.justgiving.com/fundraising/bhbs-livingstone-house where you can donate. Let's show our support for St Michael's hospice, just like we would if we were having a non-uniform day or a bake sale.

Thank you.

Trinity Sunday

News Quiz

Yes there is life going on besides Corona Virus!!!

On the following pages is a news quiz from Mr Phillips. Let see how much notice you have been taking of the world around you!

Enjoy.

Your tutors will be ringing, if they haven't already, to find out how you are doing. Please let them know what you have found positive about the lockdown and working remotely, but also what you have found more challenging.

Assembly corner

Had we been in school, the theme for assemblies and form worship this week would have been sacrifice.

This is quite fitting as we think about the last Clap for the NHS which we had on Thursday 28th May. The sacrifices being made at this time are incredible. The key worker community has been amazing being on the front line throughout the whole pandemic. The sacrifices they have made for the health of us all has really deserved our applause.

On Sunday I was listening to Country File and Captain / Sir Tom was on comparing the sacrifice of soldiers in the 2nd World War, like himself, and the sacrifice of services like the NHS and other key jobs today. Maybe we also have had to make sacrifices on a much smaller scale over the last 11 weeks. Missing holidays, birthday meals out, not seeing family and friends. This is the kind of sacrifice we have all been asked to make for the good of us all.

So sacrifice can come in all shapes and sizes but it is important that we do occasionally make sacrifices as they help to make the world a much better place.

DEAR GOD,

I humbly come before you today in appreciation for all that you have done for me. Thank you Jesus for your sacrifice so that I may be reconciled to God and set free from the bondage of sin. Thank you for enduring so much suffering on my behalf. I pray that I will have the same kind of strength to endure life for your sake, in your name I pray **AMEN!**
