Dear Parents and Carers

I am writing to update you about the options process for your child and the Options evening planned for **Thursday 5th February from 5pm until 7pm.**

At the Options evening, there will be a talk from Mr Williams and myself at both 5pm and 6pm in the main hall and then there will be opportunities to speak to the teachers of the option subjects. I would highly recommend that both parents/carers and students attend this evening.

This event is a fact-finding evening, as the Consultation evening in March will provide opportunities to discuss specific option choices with your child's class teacher.

All the presentations and material will also be updated on our school website on Thursday 5th February. Last year's subject presentations are currently on our website, and the changes will be minimal. These presentations have FAQ's and specific content from the Curriculum Team Leaders. All students will also receive a booklet on February 4th that gives an overview of the subjects for next year as well.

Below I have also highlighted key dates for the options process.

5th February – Options evening 5pm – 7pm
19th March – Virtual Consultation Evening
20st March – Options form opens on Student App
27th March – Options form closes on Student App
April – one to one meeting with students to discuss choices.
July – confirmed option choice by letter.

Yours sincerely,

Mr Owen Collingbourne
