Headteacher: Mr Martin Henton

MNH/AHW  
26<sup>th</sup> March 2021

Dear Parents & Carers,

As we head towards the summer break, our third full week back in school has run really smoothly with students and staff very much back into the rhythm of learning. Lateral Flow home testing (LFTs) has also run smoothly, and our experience last week shows that the systems we have in place are effective. Thankfully, we were really pleased to be able to return all students affected last week back into school first thing the next morning.

Can I please remind all families to continue with the home LFT next week and inform us if there is a positive case so that we can test and trace, using [head@bhbs.hereford.sch.uk](mailto:head@bhbs.hereford.sch.uk). New lateral flow test kits will come home with students on Monday 29<sup>th</sup> March to ensure that all families have enough for over Easter and beyond.

We are working with our Parents, Students and Friends Association (PSFA) to improve our outdoor spaces. So that you are fully aware of this, I have attached the link, which is still active so that families can contribute if they are in a position to do so.

[BHBS PSFA Improve our outdoor space!, organized by BHBS PSFA](https://gofund.me/eacb81e5)

We have big plans to improve our outdoor space!

We are planning to purchase table tennis tables for our outside spaces and develop further covered areas for students to use at break and lunchtime.

*Always Faithful with Christ*

Have a safe and great weekend.

Kind regards,

A handwritten signature in blue ink that reads "Martin Henton." The signature is written in a cursive style with a period at the end.
