Autumn 2022

Dear Parents/Carers

Reporting for Year 8 Students

This letter is to inform you how your son's/daughter's progress will be reported this year. There will be three reports:-

An interim report will be issued late in the Autumn term, Full Reports are issued in April and an interim report will be issued at the end of July.

Subject teachers will give a working at grade based on student progress towards their targets.

Students have an end of year Expected Progress Target (EPT). We generate this by doing baseline testing and using national data to link this to GCSE grading 1-9 (or Entry Level if a student is working below Grade 1). This information gives us a GCSE target grade which we then convert to end of year targets for each year group by scaling it back.

Behaviours for Learning are also reported which are explained fully on the report and on our website.

Form Tutors will also comment on attendance, sessions late, rewards and consequences.

Further detail can be found on our website <http://www.bhbs.hereford.sch.uk/Curriculum-Overview> about what students study in each subject.

Parents'/Carers' Consultation Evening is on Thursday 11th May 2023. Please place this in your diary, further detail will follow about how to make online appointments for this evening.

Yours sincerely,

Ellie Bunston
Deputy Headteacher
